

WHY CHOOSE AN AQUAMATE WATER TANK

1

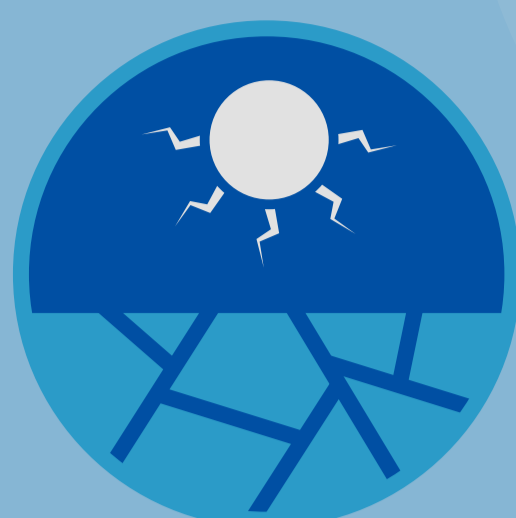

Manufacturing
water tanks
since 1986

2

30 years of
research and
development

3

Proven to survive
the toughest of
conditions

4

BUILT TO LAST

Galvanized walls and
Polyethylene liners that stand
the test of time

5

Galvanized walls to
provide the best
corrosion resistance

6

No replacing of parts
means no ongoing costs
to the owner

7

Polyethylene liners
that are approved for
drinking water

8

Strong and flexible
liners proven to last for
decades

9

Solid liners for maximum
fatigue resistance and
durability

10

Designed to look
great and add value
to your property

11

Supported by a global network of
offices and certified dealers

12
